Name Change or Transfer

A name change is simply amending the existing entity's name with no change in the actual business structure, which means you CAN NOT DISSOLVE the existing entity and transfer the license to an already existing or newly formed entity.

WARNING: In general, licenses are NOT transferable from one entity to another. However, there are LIMITED exceptions where a transfer might be possible in the following situations:

- (1) A Sole Proprietorship CONVERTING to a Corporation or an LLC or a Partnership.
- (2) A Corporation CONVERTING to an LLC or a Partnership or a Sole Proprietorship.
- (3) An LLC CONVERTING to a Corporation or a Partnership or a Sole Proprietorship.
- (4) A Partnership CONVERTING to a Corporation or an LLC or a Sole Proprietorship.
- (5) A MERGER, the unlicensed entity can be the survivor.

If you are a Name Change, Conversion or Merger then execute the following:

Name Change Request Form

Provide copies of all supporting documents from your Secretary of State's office.

You will also need to furnish an updated Certificate of Insurance verifying Workers Compensation insurance for the new entity.

A list will need to be provided from those that have Converted or Merged of anyone that owns 10% or more of the company and a current list of officers, members or partners.

Bond Requirements

If there has been no change in the Federal ID number then an endorsement rider for your \$10,000 Contractors Bond is needed to amend your name.

A new bond is required if there has been a change in the Federal ID number.

Financial Requirements

If it is also time to renew your license, commercial licensees that have Converted or Merged will need to furnish a letter from their CPA stating *the assets and liabilities of the previous entity were transferred to the new entity at the time of inception*. This letter is in addition to the financial statement.

If the change is mid-year then the only financial information needed will be the letter of transfer.

Residential Licenses Only

This office will mail to those licensees that have Residential only, a special statement to sign and notarize concerning your financial statement.

ANY OTHER SITUATION WILL REQUIRE A NEW APPLICATION

**INSTRUCTIONS FOR COMPLETION
OF THE \$10,000 CONTRACTORS BOND**

This bond is required only of applicants for a **commercial license**.

Only this prescribed form will be accepted. Any alterations to this form must have prior approval from the Contractors Licensing Board.

Your company name (Principal) **must match exactly** as it will appear, or does appear, on your Contractors License.

An owner, officer, member or partner must sign the bond form as Principal before mailing.

All Principal, Surety and Agent information requested on this form must be provided.

Any change in your Federal Employer Identification Number requires a new bond to be executed. Any change in your address requires an endorsement rider from your agent. Any change in your company's name will require other documentation, ****please call for instructions first.**

****If you are having difficulties obtaining this bond, your only other options are filing a cash bond or an Irrevocable Letter of Credit from your bank.**

The bond may be executed solely by the surety company. An underwriter that works directly for the surety need only to sign as Attorney-in-Fact and type under your signature that you are a "direct underwriter".
